

JARIUS MIGUEL BALLESTEROS

Aspiring Junior Graphic Artist/Editor

About Me

I create and enhance digital illustrations, posters, and graphics using Adobe Photoshop, Illustrator, and Lightroom to produce visually compelling designs. I also develop and edit video projects and vlogs, applying a variety of editing techniques to deliver polished multimedia presentations. In addition, I craft original artwork using both traditional and digital media, experimenting with creative effects, filters, and styles to bring engaging visual stories to life.
